

# Monday Windstorm Does Great Damage

## FALLEN TREES, WRECKED BUILDINGS FOLLOW STORM'S PATH.

The cold wave and storm of Monday forenoon was followed in mid-afternoon by wind gale that started trouble that wrecked trees, buildings and interrupted power lines all over Crawford county.

The heavy winds started at about 3:00 p. m. and didn't let up until the following morning. Down-town signs were torn from their fastenings, trees leaned over until some upturned from the roots, some of the latter falling across power lines, barns were wrecked and twisted and in one instance a roof was blown completely off its structure.

Grayling electric lines were damaged at 5:32 p. m. near the James McDonnell home north of town, putting the city out of electric service for 40 minutes. Later in the night a huge poplar tree in front of the Mrs. Herb Gothro home fell across the power lines further complicating the service. These had to be cleared away before electric service could be resumed.

In all sections of the city trees were down, some of which narrowly missed doing serious damage to homes, garages and other out-buildings.

All along the highways leading out of the city scores of trees lay uprooted. Several beautiful pine trees near the Ralph Collen home at Lake Margrethe suffered similar fates. The roof of the Dr. VanVleck store at Lake Margrethe was completely blown off and lay flat on the ground. There were trees down, trees down and trees down wherever one might look. At the Hartwick Pines park, all along one edge trees were laid flat, and others leaning far over and will have to be removed. The damage within the Pines park area was considerable. Nearly 500 trees are reported down.

In the city the Mrs. Hartley Grocery store was slightly damaged when the wind ripped off the false top and old slight damage to the roof. One of the large plate glass windows at the Burke garage was blown in, as was also one at the Charles Moshier service station.

The barn at the former Cobb farm in Maple Forest was flattened, and also the barn of James F. Knibbs in Maple Forest was badly twisted and ruined.

At the National Guard camp several trees are down and also a few small out buildings belonging to the camp. At Grayling city tourist park there are between 15 and 20 trees down. One large tree fell across one edge of the roof and front porch of the Wilbur Sterling home on Norway street doing some damage.

At a summer home on the AuSable while the family happened to be in ready for the opening of the deer hunting season the chimney of the fireplace was completely blown down. Occupants along the river in many instances found their roadways blocked by fallen timbers that had to be removed before they could either get in or out.

The Michigan Public Service

Co. lines too were disrupted and the communities between here and Cheboygan were without service for some time. We understand that at Gaylord the service was off until noon of the following day. Frederic was in complete darkness and without electric service for a couple of days.

Service was supplied to the local customers of the Michigan Public Service Co. from the hydraulic plant west of Grayling, and thus escaped the inconvenience of interruption during the storm period. However had Grayling's large number of users of the local municipal plant service been dependent upon the former Company we would have had to suffer the fate of Frederic, Gaylord and other communities along the line. The M. P. S. local hydraulic plant wouldn't have been able to supply the city with required service.

Severe wind and sleet storms are rare here in Grayling, but this present attack proves that it can happen here.

## New Grayling Winter Sports Folder Out

### CONTAINS 18 ATTRACTIVE LOCAL PARK SCENES

The Avalanche has just made first deliveries of 10,000 Grayling Winter Sports folders, to the Grayling Winter Sports, Inc. These are printed on high gloss 60 pound white enamel paper, and are printed in Cameo green, double-tone printing ink. The pictures throughout the folders are taken from actual photographs taken at Grayling's famous winter park.

On the front page is a picture of a huge snowman as it "stands guard at the Park entrance." This snowman was made by members of Hartwick Pines CCC camp and was over 25 feet in height. Another page shows the "world's largest snowman," over 30 feet in height, that attracted visitors from as far away as Florida, and from other parts of the country. This was made by John Deckrow. The spectacular arrival of snow-trains from Detroit, Flint, Lansing, Jackson, Saginaw and Bay City is shown in a couple of pictures, and huge crowds as they boarded the trucks bound for the winter park.

Governor Luren Dickinson is shown holding the hand of Miss Norberta Weiss, Grayling Winter Queen of 1940, as the photographer snapped them in the Governor's office in Lansing. "Birdie" Tebbetts, of the Detroit Tigers, Grayling's good-will emissary, is shown looking on.

There are snow scenes and park scenes, all attractively pictured, that makes this the finest winter sports folder that has ever been published. Everyone will want one, and everyone is welcome to have as many as they may desire for his own convenience and for sending to interested friends. Just write Grayling Winter Sports, Inc., Grayling, and a folder will be mailed to you.

## Deer Hunters Ready For Open Season

### CONSERVATION OFFICERS REPORT DEER IN GOOD CONDITION.

Lansing, Nov. 14—Deer hunters preparing for the opening tomorrow morning of Michigan's 15-day gun season can expect as good success as they enjoyed in 1939, when they secured 45,148 bucks.

Cheering assurance to this effect is contained in reports of conservation officers stationed in both Michigan peninsulas. Deer, except in scattered localities, are said to be in excellent condition. Some officers report seeing more bucks. Bear are more numerous.

Upper peninsula officers cite a comparatively open winter, good yarding conditions and absence of predators as factors which have contributed to an apparent increase in the deer herds. Below the straits, as in Presque Isle, Montmorency and Alpena counties, starvation occurred last winter, but officers report that "any part of these three counties will furnish good deer hunting." Deer are reported plentiful in Oscoda, Alcona, Ogemaw and Isosco counties, but the condition of the herds in northeast Oscoda and northwest Alcona counties is said to be under par.

"Deer are evidently more plentiful (in the Grand Traverse region) than in other years," according to a district officer who adds that more buck deer have been seen than was the case last year, "even in areas not noted as good."

Greater percentage of bucks and increased numbers of deer are reported in counties north and northeast of Muskegon and an "ample supply" of bucks is the estimate of officers in Clare, Isabella, Gladwin, Midland, Arenac and Bay counties.

Southern peninsula officers also cite comparatively mild weather conditions of a year ago as responsible for the apparent increase.

No conservation officers, however, claim that deer are as plentiful as they were a few seasons ago. Exhaustion of browse in many swamps is operating to reduce the size of herds.

More than 170,000 hunters were in Michigan deer country last season.

## About Lands to Be Offered For Sale

Lists of lands to be offered for sale by the department of conservation and other details of the sales will be available at county treasurer's offices and at local district headquarters of the conservation department in the two weeks preceding each sale.

Sales of other tax reverted lands, which former owners did not ask be resold, will not be offered at public auction for several months.

## Red Cross Giving War Relief

Statistics show that up to Oct. 15 the American Red Cross made available \$5,073,954 in relief to the war victims in Great Britain. More than 300 various items of relief, everything required to keep body and soul together, have been sent.

As increasing numbers of families are homeless and London's millions face the prospect of winter nights in air shelters, requests for new types of relief have come urgently to the American Red Cross.

Here in the United States the work of the American Red Cross will continue as ever to give relief in case of emergency.

More than ever before our dollars are needed to give assistance to those less fortunate than ourselves. The following are working for the Red Cross Roll Call in this county:

Workers for Red Cross roll call district No. 1—Mrs. Charles Moore, Mrs. C. G. Clippert.

District 2—Mrs. Herbert Trudeau, Mrs. Ernest Borchers.

District 3—Mrs. Frank Barnett, Mrs. A. J. Joseph.

District 4—Mrs. A. Funck.

Districts 5 and 6—Miss Margrethe Bauman, Mrs. R. Hayes, Miss Georgianna Olson.

District 7—Mrs. Frank Bond.

Districts 8 and 9—Miss Mildred Craft.

School—Mr. F. L. Bond.

Grayling Twp. (Down river)—Mrs. Arthur Wakeley, Jr.

Grayling Twp. (Lake Margrethe)—Mrs. Otto Failing, Mrs. Floyd McClain.

Frederic—Mr. Robert Lee.

Maple Forest—Mrs. Wm. Woodburn, Miss Martha Peterson.

Lovells—Mrs. Lola Papenfus.

Beaver Creek—Mrs. Herbert Pruehs, Mrs. Earl Wood.

South Branch—Mrs. Starr, Mrs. Sidney Dyer. The latter have already reported.

## Legion Auxiliary Fetes State Officers

With visitors present from the American Legion Auxiliaries of Roscommon, Mio, Prudenville and Kalkaska, Grayling Unit entertained four state officers Wednesday of last week. The honor guests included the department president, Mrs. Dorothy Pearl, department secretary Mrs. Bertha Preestel, both of Detroit; Mrs. Carol Lemon of Battle Creek, department rehabilitation chairman and Mrs. Lee, of Flint, Americanism chairman.

Luncheon was served at the Grayling Restaurant, where the ladies were seated at one long table. The national colors predominated in the table color scheme and it was very attractive. There was a nice attendance at the banquet and more at the meeting that followed at the Legion hall. At the luncheon Mrs. Pearl and Mrs. Preestel were presented with corsages from the local unit.

The department officers were in Grayling for the purpose of a school of instruction and the various auxiliaries who gathered in here found the meeting both interesting and enjoyable.

## Kiwanis Club Notes

With no special program provided for Wednesday's meeting, the time was spent in round-table discussion. Rev. Kuhlman offered a number of quiz questions, all of which someone about the table was able to answer. They were very interesting.

City Manager Geo. Granger was asked to explain the cause of the electric service interruption that occurred Monday afternoon and evening. He reported that the first damage occurred while he was at the office of Kerry & Hanson Flooring Co. when their flagpole fell across the service lines. This was followed by the one near the James McDonnell home when a tree fell across the power lines, etc., as is explained in another article appearing on the front page.

The matter of holding their meetings on Wednesday nights during the hunting season to accommodate visiting Kiwanian hunters, was dropped since no notice had been announced for the convenience of any who might wish to visit the Grayling club.

George Granger and Dr. Miller have agreed to form club bowling teams and will start practicing soon.

The board of directors appointed Norman Butler to succeed himself as secretary of the club for the coming year.

## School Carnival Next Tues., Nov. 19th

One of the highlights during the hunting season will be the carnival to be held at the high school Tuesday, November 19th, starting at 7:15 p. m.

Plans are rapidly developing to have one of the outstanding events of the year. This event is sponsored by the High School Athletic Association, and all students are working hard to make it a banner evening.

Fun for all will be the keynote of the evening. Students are ready with a 150-pound pig—ask about it. Don't pass up this chance—be present because you must be there to get the pig. A 5c admission charge will be made which may entitle you to a door prize. A beautiful 32-piece set of dishes to be given away.

A fine program has been arranged which will be presented in the auditorium at 8:30. Admission price will be 5c. You are guaranteed a great deal more than a nickel's worth of entertainment.

Following are a few of the highlights of the carnival:

A park plan dance will be featured, with music by a fine orchestra, at 5 cents a couple.

Refreshments galore! Cider, donuts, hot dogs, soft drinks and candy at popular prices.

Games of skill will be abundant with outstanding prizes for the winners.

A booth entitled "Freaks" will be well worth your money. Don't miss it.

Have your fortune told! Madame X will tell you all.

Try your luck at the fishing pond. You'll be surprised at the catches.

Visit "The Wonders of the World" booth. What wonders!

Be on your toes for the judge and corps of policemen will be present.

If brave, take a look at the Mystery House.

Check your hat and coat for 2c.

This is an all-community affair. Fun for all whether you are 70 or 7. Come one, come all! Bring your pennies, your nickles, your dimes, and have fun galore.

## Schoonover-Tufts Rites Spoken In South

Fort Benning, Georgia was the scene of the marriage of Effie Pauline Schoonover, daughter of Mr. and Mrs. Jess Schoonover to Lieut. William C. Tufts, Jr., son of Mr. and Mrs. William C. Tufts of Sparta, Wis. The ceremony took place at seven o'clock Wednesday evening, November 6 in the chapel there and the chaplain of the Fort was the officiating clergyman. Present at the ceremony was the bride's parents, who accompanied their daughter there a few days previously.

The bride, who was born in Grayling, is a graduate of Grayling High school and of St. Mary's school of nursing in Grand Rapids, while the groom was graduated from the University of Wisconsin and he is also a graduate of the Infantry school at Fort Benning.

The couple are making their home there and have the congratulations and best wishes of hosts of Grayling friends.

## Vivid Pictures of Preparation for War Coming.

Paramount has produced a five-reel subject titled "World In Flames" made up almost entirely of newsreel clips, hitherto suppressed, that turns into a powerful preaching against the horrors of war and an incident of European dictators who have plunged a large portion of the globe into battle. Foreward of this film, which a full hour ably tells the entire story back of "World In Flames" when it says:

"America is in crisis." In little more than 10 years, America has passed from assured peace into grave danger. In this effort to bring these 10 years into clear focus, Paramount has made this picture. The individual scenes shown here were photographed on the spot by a hundred or more cameramen all over the world at the risk of their lives.

Dating back to the bull market days of 1929, but with flashes going back to the days of the first World War, this film is largely made up of news reel shots that at the time of their photographing were deemed much too hot for general release.

The first couple of reels are devoted to events leading up to the present crisis. Mussolini is depicted teaching the Italian youth to bear arms, followed by sequences of the American depression which followed the crash of '29. Each year down to the present day is highlighted, with the ever-increasing power of Hitler and Mussolini portrayed. The subjugation of the smaller nations of Europe is shown and then follow probably the most awe-inspiring camera shots of the European and Japanese-Chinese warfare that have ever been unreel.

Events with which the world has long since been familiar are shown in all their horror, divested of any attempt at censorship and plainly depicting the brutality of the dictators. Hitler and Mussolini, in striving to attempt their goal, air bombardment, naval battles, fifth column activities, the plight of refugees, and finally the great battle of Britain, now under way are shown in all their gruesomeness.

And then for a fadeout, the inspiring word that America finally awakened, is fast preparing to become the strong power in the world, a warning that neither Hitler, Mussolini or any other foreign dictator can or probably will overlook.

This amazing picture will be shown at the Rialto Theatre, Grayling, on Tuesday and Wednesday.

nesday, November 19-20. Also feature "The Hit Parade" starring Ann Miller, Patsy Kelly and Kenney Baker.

## Olivas-Rasmusson Nuptials Performed In Reno, Nev.

Miss Mary Margaret Rasmusson, daughter of Mr. and Mrs. Harold Rasmusson of this city chose October 20th for her marriage to Mr. James T. Olivas, son of Mrs. Grace Olivas of Los Angeles, Calif. The ceremony was solemnized at Our Lady of the Snows church in Reno, Nev., the Rev. Fr. John Collins celebrating the nuptial mass. Accompanying the couple were Mr. and Mrs. Jerry Poxcia of Los Angeles, who were their attendants.

The bride was attired in a street length gown of camel taupe crepe, made with three-quarter length sleeves and a round neckline. On her left shoulder was pinned a corsage of orchids. Black accessories completed her costume.

Following a week of honeymooning in Reno, the couple returned to Los Angeles and on October 27 were guests of honor at a reception given for some 100 guests at the home of the groom's mother, Mrs. Olivas. Assisting at the reception were the bride's two aunts, Mrs. William Aberle (Maude Tetu) and Mrs. Alfred E. Underhill (Bernadette Tetu).

The bride who was born in Grayling and attended Grayling High school has made her home with her aunt Mrs. Underhill, in Los Angeles, for the past six years. She has many friends in Grayling who join in extending happy congratulations and best wishes.

Previous to her marriage the bride was feted at two lovely showers, one a miscellaneous shower given by the sister of the groom Miss Mary Olivas, and a personal shower given by Mrs. James Blakemore and daughters.

**DENEWETT-SHELLENBARGER**  
\* Albert Denewett, son of Mr. and Mrs. Henry Denewett was united in marriage to Miss Doris Shellenbarger of Detroit, Nov. 2nd. The ceremony was solemnized at Gaylord, the Reverend Epps officiating.

Accompanying the couple were Mr. and Mrs. Wilbur Winslow, sister and brother-in-law of the groom, who witnessed the ceremony.

The couple will reside in Grayling and have the congratulations and best wishes of many friends.

### 'Twas 3 Below Zero This Morning

Would you believe that it was  
three below zero this morning,  
well it was at 7:00 o'clock, according  
to the records at the Grayling  
Fish Hatchery. It rose to 14 at  
noon however when a warm sun  
came out.

Since last Friday the warmest  
it has been is 51 degrees and that  
was Monday, but each day since  
it has been very cold, ranging  
between 14 and 16 degrees for  
low.

### Frederic School

(Too late for last week)

**Kindergarten, 1st and 2nd Grades**  
Thursday afternoon our room  
had a masquerade party. Each  
child marched into each room of  
the school wearing their costumes.  
We had a grand time trying to  
guess who was who.

**3rd and 4th Grades**  
The third and fourth grades had  
a party last Friday where they  
chose up people and went around  
to homes doing good deeds for  
people. After they did they had  
a party in their room. They duck-  
ed for apples and had popcorn and  
candy to eat.

**5th and 6th Grades**  
The 5th and 6th grades are still  
reading the book "Forbidden  
Cargoes."

They had a Halloween party  
which was great fun. They  
marched up-stairs to show their  
costumes. They also marched  
down town.

The girls in the fifth grade  
have organized a stamp collecting  
club.

**7th and 8th Grades**  
The seventh and eighth grades  
in Science went out and dug up  
the soil at different depths to  
find out what soil is composed of.  
The seventh grade has an ex-  
periment on the effects of heat-  
ing and cooling of metals and  
liquids.

#### Social Studies

The 11th and 12th grades are  
nearly finished with their signs  
on deer hunting. They are plan-  
ning to work on their carnival  
next, by getting new ideas to  
make it larger and better.

The boys and girls are racing  
to see who can sell the most  
tickets for the dance that we are  
giving with Tim Doolittle and  
his Gang playing. Many from  
Grayling will attend. It is the  
22nd of November.

The 9th and 10th grades are  
coming along very nicely on  
their Vocations Unit.

#### Music

One day this past week the  
singing classes went down stairs  
and listened to Mr. Stevenson  
and his band. They have learned  
to play some of our school songs.  
The singing class wishes that  
they could come down every day  
and sing with the band.  
The band is practicing songs  
for the coming basketball year.

#### Agriculture

The boys in Agriculture clas-  
s just finished the unit on the  
potato. The boys have construct-  
ed a cabinet and display table  
for the Science class.

#### Sports

The Frederic High School  
basketball boys had their first  
official practice Wednesday, Oct.  
30. About 15 boys turned out  
for practice.

Coach Lee appointed as co-  
captains Guy K. King and Philip  
Dunaway. The duties of captain  
are left up to one of these boys  
at all times, and we are sure that  
they will uphold their positions  
on our team.

The girls will practice basket-  
ball every Monday from 12:30 un-  
til 1. They expect to have a nice  
team this year.

The Masquerade at Skates-  
proved to be a success here at  
school Friday night. The skaters  
masked until 9:30 and then the  
judges chose the best costumes.  
The prizes went to Gloria Cor-  
bett, who was dressed as Ma  
West, Aden Lipp, who was dressed  
as an old woman and was carry-  
ing a rilling pin. Alberta  
Murphy, who was dressed as an  
old fashioned lady. Patty Dunck-  
ley, who was dressed as a boy,  
and Harriet Hinton, who was  
dressed as a clown. The judges  
were Judge Moore and Mr. Schu-  
mann from Grayling, and Miss  
Nulmegeer.

There will be skating next  
Friday and we want every one  
to be sure and come.

#### Home Living

The girls in Home Living 9  
and 10 are studying Hot Breads at  
present. They will have several  
lab periods on hot breads and  
also some experiments to perform  
on flowers.

The girls in the 11th grade are  
progressing very nicely on their  
wool suits. The girls in the 12th  
grade are doing some very nice  
embroidery work on pillow cases  
and scarfs for their bedrooms.

#### English

Some very nice compositions  
have been written by the mem-  
bers of the English classes. The  
students are to be complimented  
on their ability to use their  
imagination.

The 9th grade are still reading  
the books we have in the library  
for them. Nedra Hodge has read  
more books than any other in the  
class. She completed Gone With  
the Wind in three days.

Both weeks that we have had  
spellingdowns in English class,  
Phyllis Lozon has stood up the  
longest.

Tickets for the hunters ball,  
with music by Tim Doolittle and  
his gang, are now on sale. They  
are 75c per couple.

The Senior class are now col-  
lecting old newspapers and mag-  
azines to sell, for which to earn  
money for their trip.

### Placed In Positions Where Best Qualified

The Army will make every ef-  
fort to place selectees in positions  
for which they are best qualified,  
it was explained by Brig. General  
Charles H. Bonesteel, command-  
ing the Sixth Corps Area, at his  
headquarters in Chicago.

"Selectees will be encouraged  
to state the branches of the ser-  
vice in which they believe them-  
selves best qualified to be of use  
to themselves and the Army," ex-  
plained General Bonesteel. "Sel-  
ectees will be classified for mili-  
tary service according to their  
civilian occupation as far as prac-  
ticable."

### Grange Notes

The card party at the hall last  
Friday night was attended by a  
small crowd. Prizes for pinocle  
were won by Nelson Corwin,  
Norval Stephan, Allen Stephan,  
and Mrs. Vallad. For Pedro, Mrs.  
Flagg, Charles Corwin, Mrs. Wil-  
liams, and Mrs. Frank Serven.

A nice lunch was served by the  
committee.  
Charles Moore is chairman of  
the next party, Friday, Novem-  
ber 15, so don't forget to bring  
your friends. Deer hunters are  
welcome as well as everyone else  
come and have a good time.  
Saturday, Nov. 16th, is Grange  
day and meeting will be in the  
forenoon.

#### An Angry Thought

To gain relief from asthma, Dr.

adrenalin when great fright or rage  
possesses us."

JUST NATURALLY NAIVE

A dear old lady was shocked at  
the lurid language of two electri-  
cians who were working in her  
house, and complained to the com-  
pany. In due course the two men  
were sent for and asked for an ex-  
planation.

"Well, sir," said one, "it was like  
this. I was up the ladder and I let  
the hot lead fall on Bill. It went  
down his neck. And Bill, he said to  
me, 'You really will have to be  
more careful, Jack.'"

#### Quick Change

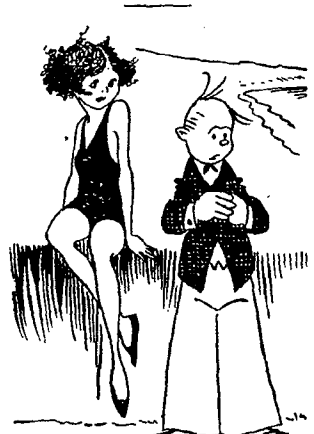

Bingo—Here's that half-dollar I  
borrowed of you last week.  
Sings—Great Scot, I'd forgotten  
all about it.

Bingo—Why didn't you say so and  
then I could have kept it.

#### Value of Money

Carnival Faker—Yes, sir, for just  
today I am offering you this mag-  
nificent solid gold watch for only \$3.  
Man in Crowd—Say, stranger, you  
don't seem to have much notion of  
the value of money.

#### FAIR ENOUGH

He—You know, I'm one of the  
judges in the bathing beauty con-  
test. Will you marry me if I throw  
it your way?  
She—Why not? I've promised the  
other four judges.

#### Editor or Not

"Are you the editor?" inquired a  
heavy-jowled stranger with a fist as  
big as a ham, as he shoved open  
the door of the front office of the  
Bonhunkus Argus.  
"It all depends," replied the man  
with the weak chin and frayed pants  
legs, "on whether you want to make  
a kick or to pay your subscription."

#### Senatorial Chatter

"We don't understand some of the  
things you said in your last speech,  
senator," said a constituent.  
"That's good," responded the sen-  
ator. "That's exactly what I intend-  
ed. Anything you can't understand,  
you certainly can't disapprove of,  
can you?"

#### Step-Relatives

Jimmy—Just one more question,  
uncle.  
Uncle—What is it this time, Jim-  
my?  
Jimmy—If a boy is a lad and he  
has a stepfather, is the boy a step-  
ladder?

#### Business Deal

Stranger—I'm a landscape artist  
and I'm looking for business. Let  
me fix up your place.  
Houseowner—How much money  
do you want?  
Stranger—How much have you  
got?

#### Service Please

Garage Mechanic—What's the  
trouble, lady?  
Mrs. Newdriver—They say that I  
have a short circuit. Can you length-  
en it while I wait, please?

#### VALUE RECEIVED

"I suppose you and your wife go  
out a good deal?"  
"No, we are paying such high  
rent that we stay in all the time  
in order to get the full value of our  
money."

#### A Good Lawyer?

"Isn't Deeds, the lawyer, a rather  
extravagant man?"  
"By no means. I've known him  
to make one suit last for several  
years."

#### Problem

"And does your nice little cow  
give milk?"  
"Well, not exactly. You gotta sorta  
take it away from her."

THE house pictured above was worth \$4,000.00 before a  
Michigan windstorm wrecked it completely. It wasn't  
protected by windstorm insurance.

The economy of windstorm insurance goes without saying  
when it is pointed out that a \$4,000.00 policy with the State  
Mutual Cyclone Insurance Company, costing \$6.00 a year,  
would have afforded 100% protection.

Your house (or house and barn) may be wrecked by a  
Michigan windstorm this year. You have no assurance to  
the contrary! But you can protect yourself by insuring,  
now, with the reliable State Mutual Cyclone Insurance  
Company. \$1,000.00 worth of windstorm insurance costs  
only \$1.50 a year. See your local agent today.

### Train Ski Battalions At Grayling

Bay City, Mich.

November 12, 1940

Congressman  
Roy O. Woodruff,  
Washington, D. C.  
My dear Roy:

While this idea of the Govern-  
ment's of equipping the Army for  
skiing and snowshoeing sounds  
decidedly screwy to me, yet if it  
is to be done, why not send those  
that are to be trained to Grayling,  
where they have the hills, real  
winter, plenty of snow, buildings,  
etc.

Better see if you and some of  
our northern Michigan Congress-  
men can't make arrangements  
along that line.

With best regards, I remain,  
Yours as ever,  
T. F. Marston,  
Secretary-Manager.

Bay City, Michigan

November 12, 1940

Dear Mr. McNamara:  
You have noted in the press  
that the Army plans to equip sev-  
eral battalions for skiing and  
snowshoeing.

I have written Congressman  
Roy O. Woodruff, as per enclosed  
copy.

While I realize that it does not  
mean anything to the financial  
end of Winter sports, but perhaps  
would be an additional attraction  
for Grayling... yet, I think it  
would be worth while for the  
community to put forth a little ef-  
fort toward getting such an as-  
signment.

If Grayling decided to do any-  
thing, and we can be of any ad-  
ditional help, please feel free to  
advise.

With best personal regards, I  
remain  
Yours respectfully,  
T. F. Marston,  
Secretary-Manager.

### CCC Camp News

CAMP HARTWICK PINES  
SP-8 Mich. V-2699th Co.

On Monday, November 11th,  
Armistice day was observed at  
the camp. The officers and mem-  
bers of Grayling Post American  
Legion 106 were present. At 11  
a. m. the flag was lowered to  
half mast and owing to the storm  
all members of the company as-  
sembled in the mess hall and  
stood silent for five minutes in  
memory of the comrades who  
made the supreme sacrifice in the  
World War.

Dinner was served to the mem-  
bers of the Legion and several  
addresses appropriate for the oc-  
casion were made by Anthony J.  
Nelson, Alfred Hanson and Dr.  
Stanley Stealy of Grayling Post.  
The whole company joined in  
singing God Bless America, with  
Jesse Warner at the piano.

#### Five Divisions

The war department general staff  
has five functional divisions—per-  
sonnel, military intelligence, opera-  
tions and training, supply and war  
plans.

### Lovells

Due to a leg injury, Mrs. Paul  
Loeffler is on the sick list.

Mr. and Mrs. Wm. Babe are  
spending a few days in Detroit.

The Charles Morleys who spend  
their summers here, have depart-  
ed for the south.

Among the early arrivals for  
the opening of deer season are  
the Burr Sacketts of Grand  
Ledge.

Fred Rowe had the misfortune  
to lose one finger and break an-  
other while making repairs on his  
car. Arthur Feldhauser and Ed-  
gar Douglas are also on the  
casualty list with injured hands  
due to bad cuts.

The Ladies Club met Tuesday  
with Mrs. Tom Smith of Big  
Creek. Due to the busy season  
ahead there will be no other  
meeting until December 3rd when  
Mrs. Frank Wood and Mrs. Pat  
Carroll will entertain.

Twenty-five neighbors and  
friends of Austin Scott dropped  
in at the Lodge Friday, Nov. 8th,  
as a surprise. The evening was  
spent at cards, the honors for  
high scores going to Mrs. Frank  
Wood and John Kellogg. Lunch  
was served at midnight and a  
grand time was enjoyed by all.

#### Many Uses for Paw-Paw

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

Thursday, November 15, 1917

Washington—President Wilson formally put the new machinery for the carrying out of the selective draft bill into operation Saturday with publication of the foreword he had written to the regulation under which the second call will be made.

Helsingfors, Finland—A state of war has been declared in Finland. The provisional soldier's committee has appointed a sailor named Schlegels as commissary of Finland in place of the Governor-General. Professor Von Wendt, a delegate of the diet, has telegraphed President Wilson that owing to the poor harvest the country faces starvation unless food can be obtained from the United States.

Mrs. Sarah Phelps returned last week from a visit with friends in West Branch. She was accompanied home by Mrs. J. W. Livingstone, who spent a few days here visiting at the J. C. Burton home.

Miss Salome Friberg returned Friday to her home in Chicago after having spent the summer here.

Carl Doroh now employed as scaler in R. Hanson and Sons camp near Wolverine, visited at his home here over Sunday.

Born to Mr. and Mrs. Russell H. Coulter November 3, a daughter.

Ernest Richards has purchased the Max Landsberg pool room and restaurant and took possession today.

Mr. and Mrs. Ray E. Amidon of Flint are the proud parents of a daughter, Kathryn Maxine, born November 14.

Miss Blanche Blondin left Saturday for Detroit to take the State examination for nurses, having completed her course here at the Mercy Hospital training school.

Scott Loader of Detroit was in the city Monday on business and calling on old friends. This is his

first visit here since moving to Detroit three years ago. While here Mr. Loader sold his residence on Ottawa street to Tony Nelson.

The Board of Education has been extremely fortunate in prevailing upon Mrs. Otterbein to take up the work of teaching physical education in the schools. She has had special training in this branch of work in Mt. Pleasant Normal college.

Friends of Hardin Sweeney will be pleased to learn of his rapid advancement in the military service of the country. One year ago he was a private in Uncle Sam's regular army; in December he won a second lieutenant's commission; early last spring he passed and was commissioned to captain and was given command, which by now he has probably already received.

The drive to raise \$2,000 for the Army Y. M. C. A. is going forward and each day sees the amount subscribed greatly increased.

Mr. and Mrs. Edward Strehl of Mancelona visited the latter's parents, Mr. and Mrs. Peter L. Brown here Friday.

Mrs. Jens Elverson returned Monday from a two weeks' visit in Detroit with her daughter, Mrs. Elf Kasmussen and family.

Camp Custer—Camp Custer, the home of the 85th division of the national army, and the future home of it is expected of other divisions, was formally handed over to the government November 13. Four million dollars was the first estimate of the price. That amount, confidential authorities say, has long been forgotten. Today the government stands the cost of the camp at \$7,000,000.

Lansing—Figures sent to Washington that 264,147 signers were secured during the food conservation pledge week.

In line with a previously announced policy of the war department to have attached to each division such foreign officers as

are necessary to impart information regarding European warfare that is essential before going overseas, 11 English officers have arrived at Camp Custer.

Frederic School (23 Years Ago)

Carlton Wythe has quit school and is going to Detroit to work in the Packard shops.

Flora Males is teaching the Kindergarten room a few days this week because of the death of Mrs. Cameron's father.

Erma Craven and Bessie Malco were visitors in Grayling over the week end.

## The Washington Merry-Go-Round

DREW REARDON & ROBERT AULEN

WASHINGTON.—Little known fact regarding Britain's attempt to aid Greece was that this time, the British were not caught entirely napping. Several weeks before the Italian advance, they had smuggled one division of Australian troops into Greece, and they are now reported to be holding the passes in the rugged mountains of Macedonia.

However, the total Australian force is not much more than 20,000 men, a mere drop in the bucket compared with Italy's 200,000 troops now advancing from Albania.

Biggest help the British can give the Greeks, of course, is at sea. There have been no major engagements between the British and Italian fleets chiefly because the Italians have kept pretty well out of sight. But now, with the necessity of sending a constant stream of supplies to a large army, the Italians are sure to run into some major engagements with the British.

Unquestionably, if the Greeks should fall, it would be Yugoslavia's turn next. With the support of the Yugoslav army, the Greeks would have a real chance, for the Serbs are among the best fighters in Europe. However, the Balkans seem to be following the same policy of the Dutch and Belgians; that is, letting Hitler pick them off one by one.

## LABOR TRUCES

Defense Commissioner Sidney Hillman's crack labor advisory board is making use of an old adage, "an ounce of prevention is worth a pound of cure" to overcome one of the most serious obstacles to preparedness—work stoppage.

Quietly, the board has adopted the rule of getting employers and workers together on a mutual agreement for the settlement of disputes before activity is begun on a defense project.

This new system ensures labor the protection of its rights, and at the same time safeguards the employer from loss through strikes or jurisdictional squabbles between rival unions.

Illustrative of the plan is the agreement arranged between the contractors building the new six-way shipyard at Orange, Texas, for the Consolidated Steel corporation of Los Angeles, and the unions. It was negotiated by Charles MacGowan, able vice president of the A. F. of L. boilermakers and a member of the labor advisory board.

Before a spade was put to ground, MacGowan secured from Harry Morton, contractor representative, an agreement guaranteeing payment of prevailing wages, time-and-a-half for overtime, double time for Sunday and holiday work, and no lock-outs. In exchange, Morton secured from labor a no-strike guarantee and arbitration of jurisdictional differences.

## U. S. BLANKETS

Cable dispatches have made no reference to it, but one factor credited by military authorities with helping to maintain the morale of bomb-battered Londoners has been several hundred thousand American blankets. They have been a life-saver for the harried men, women and children crowded into dank, subterranean shelters.

Some time ago the British Red Cross cabled a frantic appeal for blankets for use in air-raid shelters. The American Red Cross decided to buy the durable and warm blankets used by the U. S. army, which average around \$6 apiece in mass wholesale lots, but immediately ran into serious tangles.

One was the fact that the government was heavily in the market for blankets for the army and navy, and if the Red Cross also entered the market, prices would certainly skyrocket. So the Red Cross turned to the defense commission's business aces, who immediately called a conference of leading merchandisers from Macy's, Sears Roebuck, Filene's, Montgomery Ward and others.

By long distance telephone these experts immediately made a flash survey of U. S. mills, which revealed the discouraging fact that the mills didn't have 200,000 army-specification blankets on hand, even at \$6 per blanket. But there were ample "seconds" available, blankets rejected by government inspectors. These could be bought at around \$2 each.

And that was done. The British got blankets without delay and at a saving of \$800,000. Simultaneously American mills cleared their shelves and the domestic market was undisturbed.
